Attached is my non-refundable deposit of \$25.00 per family. Please make checks payable to St. Joseph CARES Program.

I understand that all payments, which are due weekly, are my responsibility, and that my child will not be admitted to the program for the following week unless all payments are current.

Signature _____ Date _____

Days your child will be attending CARES _____

Names of people to whom your child(ren) may be released: _____

As we start this new school year, we would like to get the CARES program up and running. St. Joseph CARES Program provides professional care, supervision, and activities for your child after regular school hours. It serves families who desire both parochial school education and after school care in a Catholic environment. The CARES program is staffed by experience, devoted and committed St. Joseph School staff.

The CARES Program will operate on both scheduled and unscheduled early dismissal days. However, CARES will not be open on the last day of school. Students may participate on a full or part time basis. Only those families registered may participate in this program. The initial registration fee is \$25 per family. The cost of CARES is \$6.00 per hour for one child and \$10.00 per hour for more than one. On half days the cost is \$1.00 per child plus the hourly rate starting at 3:00 pm. The latest pickup time is 6:00 pm. There will be a late fee charge for children picked up after 6:00 pm.

The required fees are the sole support of the CARES Program. It is not subsidized by the school. We ask, therefore, that payment for service be made promptly.

Students who remain on school premises after 3:15 pm and who are not participating in a scheduled extra-curricular activity are considered part of the extended care program. Parents will subsequently be responsible for the required fee and will be billed for the service.

The program staff assumes responsibility for those children enrolled in the program. If a student is attending the program at the conclusion of an after school activity, he/she must report immediately to the program moderator, and the fee is to be paid accordingly.

Students may not wait on school premises for siblings involved in after school activities. If one family member is involved in an after school activity, the other member(s) must leave school premises by their usual mode of transportation, or remain at CARES. NO exceptions may be made.

Registered families will receive a packet of information on the first day of school. The registration form, included in this communications, is due by **Friday, August 27, 2010**. Please mail to CARES in care of the school office,

Thank you!
