

Summer Classes - 2010

Week of July 12 – 16

Summer Band

Dust off your instruments! During this interactive class, students will enjoy playing new band music, learning basic music theory, participating in music games, and more. Students will have the opportunity to review skills learned this school year and transition to the next. The week will end with a concert for family and friends to attend.

Grades: students who have played in band for 1 year

Time: 10:00am -12:00pm

Cost: \$50.00 Teacher: Ms. Hoover

Summer Jazz Band

“It don’t mean a thing if it ain’t got that swing.” Students will learn all about the musical stylings of jazz. Students will play new jazz music, learn, basic improvisation skills, and even learn about the history of jazz.

Grades: any student who has taken at least 2 years of lessons on their instrument (any band instrument, piano, guitar, bass, or drum set).

Time: 12:30 – 2:00pm

Cost: \$40.00 Teacher: Ms. Hoover

Week of July 19 – 23

Fitness, Fun and Games

Each class will start off with thirty minutes of conditioning followed by traditional summer games such as tag, kickball, dodge ball, whiffleball, capture the flag, speedminton and soft lacrosse. Class limited to 20 students.

Grades: students entering 3rd – 6th grade

Time: 9:00-11:00 a.m.

Cost: \$50.00 Teacher: Mrs. J. Leimkuhler

Week of August 2 – 6

Science Camp

Students experiment with bubbles large enough to stand in, soda geysers, slime, owl pellets, 100 microscopic animals per drop of water, real “RoboAc” robots, measuring sugar in their food, and much more. Bill Nye move over! Learn about physical & chemical science with the coolest experiments. Mr. Brunner will be the class aide.

Grades: 1-6

Time: 8:30am – 10:00am

Cost: \$85.00 Teacher: Mrs. S. Brunner

Summer Classes - 2010

Week of August 2 – 6

Dissection I

This class is designed for the young scientist. Appropriate specimens such as starfish, jellyfish (new), crayfish, and grasshoppers will be used. Students will also learn how to make specimen slides and use a microscope.

Grades: 1-4

Time: 10:30– 11:30 am (Monday – Thursday)

Cost: \$65.00 Teacher: Mrs. S. Brunner

Dissection II

Five full days of dissecting! Very similar to a human heart, a sheep's heart is examined and dissected on the fifth day. An in-depth study of the organs and systems of a frog and shark provide a greater understanding and appreciation for living organisms. Mr. Brunner will be the class aide.

Grades: 5-8

Time: 10:30 – 11:30 am (Monday – Friday)

Cost: \$95.00 Teacher: Mrs. S. Brunner

Art Camp

A full week to explore many types of art media and crafts, beading, sewing, tole painting, papiermâché,

stationery imprinting, nature art, primitive Americana, marbledizing, and even a few

Christmas projects! Projects are appropriate for girls and boys and can be adjusted for experience level. You'll be amazed at all you can do!

Grades: 3-8

Time: 12:00 – 2:00pm

Cost: \$105.00 Teacher: Ms. Lorraine Smith

Mrs. S. Brunner

Middle School Math - Head Start

This course is designed to give the student a head start on his/her sixth and seventh grade year.

Fundamentals of fractions, decimals, and percents will be reviewed so that each student can gain confidence in his/her own ability. Mr. Brunner will be the class aide.

Grades: students entering 6th – 8th grades

Time: 1:30 – 2:45pm

Cost \$70.00 Teacher: Mrs. S. Brunner

Summer Classes - 2010

Week of August 2 – 6

KinderKamp

Incoming kindergartners are invited to see their new classroom...make new friends...have some fun!
Experience some of the activities you will be doing during the school year.

Time: 9:00-11:15 am

Cost: \$65.00 Teacher: Mrs. M. Coombe

First Grade Kick-Off

This is a review of math and reading readiness skills taught in kindergarten. It's an excellent way to get a head start, make new friends, and renew old acquaintances.

Grade: 1

Time: 12:00 - 2:30pm

Cost: \$85.00 Teacher: Mrs. M. Coombe

Week of August 9 – 13

KinderKamp

Alternate date for the program described above - same time, cost and teacher.

First Grade Kick-Off

Alternate date for the program described above - same time, cost and teacher.

Summer Stage Workshop

Have fun this summer learning basic acting and performance skills, improve your voice, work with other actors, use props, connect with a character, and develop stage presence! A Friday evening performance may be included.

Grades: 5 – 8

Time: 9:00 – 11:00am

Cost: 110.00 Teacher: Mrs. B. Kovacs

Second Grade Kick-Off

A review of first grade reading and math skills to make a smooth transition to second grade.

Time: Reading 8:00 - 9:00am

Math 9:00 - 10:00am

Cost: \$65.00 for 1 course Teachers: Mrs. M. Kotanchik

\$120.00 for 2 courses Mrs. E. Lyons

Summer Classes - 2010
Week of August 9 – 13

Third Grade Kick-Off

A review of second grade reading and math skills to help students get a running start in third grade.

Time: Reading 10:00 – 11:00am

Math 11:00 – 12:00am

Cost: \$65.00 for 1 course Teachers: Mrs. M. Kotanchik

\$120.00 for 2 courses Mrs. E. Lyons

Mathematics for Grade Four

This class is designed to review and reinforcement of math concepts for students entering fourth grade.

Grades: 4

Time: 8:00 – 9:00am

Cost \$65.00 Teacher: Mrs. P. Carroll

Test Taking Strategies

This class will focus on ways to prepare for a test. It will include different strategies for taking different types of tests, such as true and false, multiple choice, matching, completion, and essay questions.

Grades: 3 - 5

Time: 9:00 – 10:00am

Cost \$65.00 Teacher: Mrs. P. Carroll

Mathematics for Grade Five

This class is designed to review and reinforcement of math concepts for students entering fifth grade.

Grades: 5

Time: 10:00 – 11:00am

Cost \$65.00 Teacher: Mrs. P. Carroll
